Our May magazine is now available – please get yours.....

I think our magazine is quite special, and am more than happy for it to be given away for free. If we run out it is now very easy to produce some more, so.....

.....If you have family or friends you want to give one to, please do. If you are going to Doctor or Dentist or Hairdresser – anywhere with a waiting room, please take one and leave it there for others to read. Lets make the most of what is something really good!
