Q: What did the spider do on the computer?

A: Made a website!

We hope everyone had a great Christmas. I know there seemed to be several people struggling with health and bugs, but hope you have come through that to say again, thank you to God for sending Jesus.

We would like to thank anyone who contributed in any way to the Christmas celebrations at St. Cyprian's, from providing music, to providing refreshments, to reading to interceding, to decorating..... well you get the idea!!!!!!
