I think everyone is aware that we try to keep our churchyard as natural as possible, particularly supporting wildlife and maintenance in as natural a way as possible. As part of this some time ago we were offered a small group of goats to keep in the church grounds to keep the grass short, and to reduce the amount of weeds in the grounds. We organised some time ago that these goats should be brought to church on **Friday 1<sup>st</sup> April** – this coming Friday. Please look out for them as they make themselves at home in our church grounds.

**There will be a meeting of the Fundraising Group on Thursday 31<sup>st</sup> March – this coming Thursday, after our morning service at about 10.45am. Everyone is welcome to come along.**

"Contact the Elderly" is a charity which cares for isolated and lonely elderly people. In this area this is done through setting up monthly teas for small groups of elderly - including providing volunteers to give lifts - to socialise and simply "get out." As a church we have offered support to the local organisation, and may well host such teas in the near future.

If you know of anyone who might benefit from being part of such a group, please let the Rector know. If you want to know more, then please ask him. You can find out more about the organisation at:
