We discovered at Christmas that people locally look at our Facebook page! I know of a family who came to one of our services because it was on Facebook. Two other families came because they saw our services posted on twitter! If you are computerised, why not see what is on our facebook page, and become a friend, and post stuff there! Just go to Facebook and search for St. Cyprian's Church Lenzie. You will find us on there!

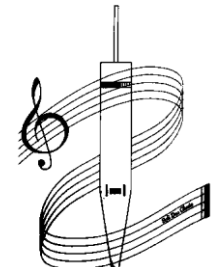

## ***Next Sunday 1<sup>st</sup> Feb after our morning service there will be a brief congregational meeting.***

At that meeting the members of the vestry who have been considering which new organ we should get would like to present the organ we have in mind to replace the organ which stopped working last year.

Please support our appeal to pay for it. Please particularly think about who you know who might want to support the appeal who are not regular worshippers at our church. If you can think of anyone.....:

.....please pass on to them one of the appeal leaflets we have printed.

.....or please let the Rector know their name and address, and we will send an appropriate appeal letter to them.

## ***The next meeting of our fund-raising group is on Thursday 5<sup>th</sup> February at 10.45 am.***

This is an important, informally gathered group who take responsibility for organising the running of fund-raising events such as the car boot sales and Christmas Fair, and supporting others such as the concerts we hold. The group is also a place where people can share ideas for fund-raising.

***The group is open to anyone who is free and would like to come along – if you have not been before please come and see what we do.*** We meet in the choir vestry, normally over a cup of tea/coffee.
