Update on the new organ. We have it ordered and look forward to it becoming part of our worship..... In terms of paying for it, currently we have received donations, as well as one or two other bits of income totalling £9861.30. On top of that there will be about £1,500 in gift aid. This means we have approx £11,500. The total cost of the organ is about £15,500 – still need £4,000!!!
