"Contact the Elderly" is a charity which cares for
isolated and lonely elderly people. In this area this is
done through setting up monthly teas for small
groups of elderly - including providing volunteers to
give lifts - to socialise and simply "get out." As a
church we have offered support to the local
organisation, and may well host such teas in the
near future.

If you know of anyone who might benefit from being
part of such a group, please let the Rector know. If
you want to know more, then please ask him. You
can find out more about the organisation at:
