Fantastic exercise that really helps you to lose weight: Turn your head to the left. Good. Turn your head to the right. Very good. Repeat this exercise whenever you are offered any food..!

This year our theme is "The Big Words," - trying to make sense of the technical words Christians use, and how they relate to our everyday lives. Our timetable to come is:

Wednesday 17th August: Salvation.....

St. Cyprian's Church has a new website. It's the same address (<http://stcyprianslenzie.com>), but has been completely re-done. The previous one was looking a bit dated and didn't have the flexibility and usability we needed. Have a look at the new one – I think it looks great and is just what we want. It might take us a few weeks to be comfortable using it, but long term it will be a real asset for our church.
