By the choir stalls there is a pot with a number of butterfly pictures on sticks. There should also be two or three of these "butterfly sticks" at the back of church. Their use is simple – if you would like special prayer for healing, or anything else, just

pick up one and bring it to the communion rail, and we will pray for you. If you don't come to the rail for communion – pick up one at the back of church and we will pray for you as we give communion in your seat. Please remember to put it back after!!!!

St. Cyprian's has a new website. It's the same address (<http://stcyprianslenzie.com>), but has been completely re-done. The previous one didn't have the usability we needed. Have a look at the new one – I think it looks great and is just what we want.

The first time I got a universal remote control I thought to myself, "This changes everything".

I recently sold my vacuum cleaner - all it was doing was gathering dust. I've just written a song about tortillas; actually, it's more of a rap.....
