In the second half of Last year we allowed people to choose hymns for the services, and it was a great success – people enjoyed choosing, and the rest of us enjoyed singing both old and new, known and unknown hymns that had been chosen.

We are repeating this again this year. If you would like to choose hymns – we will need 5 for the service – we start with a rousing one, have two quieter ones in the middle of the service, and a rousing one at the end. There is also a quiet hymn for communion.

Please write your choices on a bit of paper and give them to the Rector. Please feel free to take a hymn book home with you. Please note – we need your choices by the middle of July.
