This year's Bishop's Lent Appeal is for MND Scotland. MND – Motor Neuron Disease.

Bishop Gregor says:

I have decided that this year's Appeal will be for MND Scotland in memory of our late Diocesan Secretary, Chris Zochowski who died from Motor Neurone Disease earlier this year.

In 1981, MND Scotland was founded by John Macleod, a 32 year old Strathclyde police officer, who had Motor Neurone Disease (MND). Together with his wife, Peigi, their family and friends, they started the charity to help those with MND in Scotland.

At the time John was diagnosed, services were limited and health professionals had little or no knowledge of the condition. John's aim was to help change this and the Scottish Motor Neurone Disease Association was born.

You can visit the MND Scotland website for further information: <http://www.mndscotland.org.uk>
