with our magazine. Let's make sure we get it out to as many  
people as possible. We can always print more – so take as many  
as you can pass on.....

We received this message to our facebook page:

Very pleased to see this page. My wife and I were members of St  
Cyprians in the early 80's and it was in the Interegnum after Keith  
Trudgill left that I sang Evensong for [the first](#) time which was a major  
step on my path to ordination in 1994. I am now the Rector of kelso  
after 20 years in the COE. If anyone remembers us give them out love.
