Korona Virus is the greatest concern in our country at the moment, and as a church we have received guidelines on how to approach the virus in our churches.

Firstly we should all maintain hygiene standards as recommended by NHS Scotland.

Secondly, at communion we should all receive in one kind only – we will all receive the bread but not the wine.

Thirdly, shaking of hands is discouraged. We will therefore share the peace with smiles, waves, nods etc, but not by shaking hands. There will also not be shaking of hands before and after the service.

WE will continue with these guidelines until further notice.

Next Sunday (22nd March) is Mothering Sunday. We will have a special service at 10.30am, with input from our Mother's Union Group. It will be a special occasion, so why not invite friends, family, and anyone else you know.....

Peace, perfect peace, is the gift of Christ our Lord
Peace, perfect peace, is the gift of Christ our Lord
Thus shall the world know that you are my friends
Peace, perfect peace, is the gift of Christ our Lord
