"Conversations"

Tuesdays 7.30pm on zoom.

There are many things and people which have affected our Christian Journeys. Writers, poetry, artworks, artists..... We have "invited" local church leaders to share their inspirations, and why they matter to us. We will start in conversation, then open to general comment, questions chat and discussion. Everyone is welcome to join us. Please E.mail Les949@btinternet.com if you need the access codes, but they will be circulated nearer the time (we will have the same access code for all five evenings),

On a Thursday morning we often play music before our service, but our CD player is pretty broken down. Do you have a CD player you no longer want you would be happy to let us have – we would be very grateful. Just have a word with the Rector.
