**This year's "Bishop's Lent Appeal" is for the organisation "Children in Distress" which cares for severely disabled children in Romania, through running special centres for those children. It was started by an Anglican Priest following the fall of Communism in that country. You can find out more from their website: [childrenindistress.org](http://childrenindistress.org).**

There is more information in church, and collecting boxes for people to take – where you put your loose change in, returning the box by the end of April. You can also donate by putting money in an envelope, marking it "Bishop's Appeal" and putting it on the collection plate at church.
