For a number of reasons, the vestry has decided this year that we  
will not hold a Christmas Fair. I know this is a huge change from  
previous years, and a break with tradition. However, we felt we  
should try something different which will perhaps not be as  
stressful for our church and church members.

We have a "kernal" of an idea as an alternative. We plan to use the  
Sunday before Christmas - 18<sup>th</sup> December – as a sort of "Open  
Day," creating a Christmas type of experience with displays and  
crib scenes. We will also have refreshments and one or two stalls.

The day will then end with our Carol Service. This is just the  
beginning of the idea – if you want to know more, or have ideas to  
contribute, please talk to the Rector.
