Can I thanks everyone for the hard work and input into our special service on Easter Sunday. From the food, to the drink, to the singing, and everything else, it was a wonderful day.

I want to give special thanks to Paul Hindle and his "young" apprentice Tony. We have had trouble with our lights in the hall, and most of our other strip lights were coming to the end of their lives. Paul and Tony have replaced them with LED strip lights. The hall is brighter. And the kitchen. And the choir vestry. And the ladies toilet, and the Rector's vestry.

It matters – it will reduce our energy consumption on lighting hugely. It has also saved us hundreds of pounds on electricians bills. And that's on top of making parts of our church brighter and much more cheerful. So many many thanks to both.

Can you please return your boxes from the Bishop's Lent Appeal in the next couple of weeks, thankyou.

The next event for our 150th anniversary is a special concert:

Seonaid Aitken & Rose Room

an evening of classic vintage swing.....
.....and gypsy Jazz.

6th May - 7.30pm

The next meeting of the Mother's Union is on Wednesday 19th April, 7.30pm. It will be a chance to hear about people's visit last year to the Oberammergau Passion play.

Congratulations to Aileen Mundy (although, to be honest, at this time it was her daughter Fiona who did all the hard work!!!) on becoming Gran to Alexandra Rose.
