Since the beginning of Covid in 2020, we have only shared the peace by waving and smiling! We are now consulting to see if people would like to return to shaking hands at the peace. The vestry meets on Sunday 4th June and will make a decision at that date. Can you please let the Rector know your views? We particularly want to know if there are people who may not be happy with returning to the peace as it happened pre-covid. Following the consultation, the vestry will make the decision.....

Patrick Copsey's Funeral will be on Friday 2nd June at St. Cyprian's Church at 12.00 midday, followed by burial at High Park cemetery in Lennoxtown. The coffin is to be received in church the previous evening at 6.30pm, if anyone would like to join us then.

"The Story of St. Cyprian's Church."

Earlier this year the vestry asked if I would write a history of St. Cyprian's church. This is now available in church – cost £7.

I've called the book "The story of....." rather than "The history of......" because so much of the past of St. Cyprian's has disappeared in the mists of time.

I have to be honest – the book is not perfect – I simply did not have the time to do a perfect job, and wanted to get the booklet out before I moved on. The vestry will have an electronic version of the text, so hopefully in the future someone may take the script and turn it into something perfect.......

On Thursday mornings we have worship at 10.00am, with refreshments after, to which everyone is welcome – in the choir vestry – please enter by the main church door.

If you would like to get something into the Link please let our Rector Les Ireland know on 0141-776 3866 or e-mail rector@stcyprianslenzie.com by teatime on Wednesday evenings.
