Music @ St. Cyprian's

The programme for the 2023/24 Winter Season is now online at musicstcyprians.co.uk.

There's a mixture of new artists to St. Cyprian's and old friends making a welcome return.

The first concert is at the beginning of October with Aaron Hawthorne reviving the era of the silent movie with an exciting organ accompaniment to 'The Hunchback of Notre Dame'. More details nearer the time.

"The Story of St. Cyprian's Church."

Earlier this year the Vestry asked if Les would write a history of St. Cyprian's church. This is now available in church – cost £7.

He's called the book "The story of....." rather than "The history of....." because so much of the past of St. Cyprian's has disappeared in the mists of time.

THE FLOWER FESTIVAL

7th – 9th September

if anyone would like to sponsor one of the flower arrangements in memory of a loved one or for an anniversary the leaflets are now available at the back of the church or from Anne Carswell.

Bricks without Straw

The Vestry is currently preparing a response to this Diocesan request to obtain an honest picture of the reality of the charges across the diocese in 2023. Members of the congregation will be asked to help during session(s) at Coffee time. More information and videos are available on the diocesan website: www.glasgow.anglican.org

Thursday Morning Worship

We have worship using the *Liturgy of the Word* at 10am in the Choir Vestry. It is followed by refreshments, to which everyone is welcome.

Please enter by the hall door during July
